# How to Deliver an Effective Presentation

Body Language

Display your confidence when you present by standing up straight and smiling!

Eye Contact

Connect with your audience by engaging them with eye contact from time to time!

Avoid Distracting Behaviours

Be mindful of your actions as it can reflect the overall quality of your presentation.

Speak Clearly

Take your time to deliver your presentation. Project your voice by speaking carefully!

Practice Makes Perfect!

Give yourself ample time to prepare, and if you can try to practice in front of your friends!
